What Is Working: States a thesis (central idea) that answers WHY and uses because.

What Needs Improvement: A separate quoted or paraphrased evidence sentence and an explanation are missing.

Our Strongest Answer!

Prompt: Why did the Pilgrims need to build shelters quickly?

HIGH

The Pilgrims needed to build shelters quickly because winter was coming. The passage says winter was coming and they needed to begin building shelters. Without shelter, the Pilgrims could not survive the cold, so building quickly kept them safe.

What Is Working: Three sentences supply a thesis (central idea), one piece of evidence, and an explanation, all answering WHY.

Teacher Notes: This is the target for end-of-module writing.
