**Station 1: CORRECT IT! Task Card**

My goal: I can fix sentences so the subject and the verb agree.

1. Read the practice draft on the text card. It has 3 mistakes.
2. Find the subject (SUN) and the verb (RAINDROP) in each sentence.
3. On your response page, write each wrong sentence the correct way.
4. Explain one fix: I changed ____ to ____ because ____.

Required: fix all 3 sentences and explain 1 fix.

Optional: the Stretch card.

When I finish: open the Check and Improve card.

✂ cut

Remember: Station 1**SUN**

Subject: who or what the sentence is about

RAINDROP

Verb: the action

The SUN and the RAINDROP must agree.

One subject	The store sells ...	verb often ends in -s
More than one	Many families need ...	no -s

Practice Text: Station 1

Practice draft: contains errors

Two Men Who Helped Families

- (1) Henry Ford and Sam Walton wants to help everyday families.
- (2) Sam Walton's store sell many different products.
- (3) Many families needs products at lower prices.
- (4) The two men helped people in different ways.

This practice draft uses ideas from the real passage. Three sentences have a mistake. One sentence is already correct.

Model sentence from the real passage (Henry Ford: Visionary of Travel, paragraph [3]):

"Many families who had never owned a car before were finally able to buy one."

Families (more than one) matches the verb were.

Henry Ford: Visionary of Travel

[3] In 1903, Henry Ford started the Ford Motor Company. A few years later, he created the Model T, a car that was strong, simple, and much more affordable than other cars. Many families who had never owned a car before were finally able to buy one.

Check and Improve: Station 1

Try first. Then check. Keep your first try readable and fix with a new line.

Sentence	Correct sentence	Why
(1)	Henry Ford and Sam Walton want to help everyday families.	Henry Ford and Sam Walton are two people, so the verb has no -s.
(2)	Sam Walton's store sells many different products.	Store is one thing, so the verb ends in -s.
(3)	Many families need products at lower prices.	Families is more than one, so the verb has no -s.
(4)	The two men helped people in different ways.	Already correct: two men (more than one) matches helped.

My explanation checklist:

- ☐ I named the word I changed.
- ☐ I told if the subject is one or more than one.

Help Card: Station 1

1. Reread the direction.
2. Look at the example.
3. Use the Remember card.
4. Signal for help if you still need it.

Same goal, more support: Work on sentence (1) first. Point to the SUN, then the RAINDROP. Two subjects joined by and act like more than one.

Stretch Card: Station 1 (optional)

Station 2: PROVE IT! Task Card

My goal: I can answer how Sam Walton helped families and prove it with a detail from the text.

1. Read the passage card about Sam Walton.
2. Write a thesis (central idea) that answers the question.
3. Copy one detail that proves it. Use quotation marks.
4. Explain how the detail proves your thesis (central idea).

Required: three sentences: thesis (central idea), evidence, explanation.

Optional: the Stretch card.

When I finish: open the Check and Improve card.

Remember: Station 2

The Three-Sentence Response (thesis (central idea), evidence, explanation)

1. Thesis (central idea)	Answers the exact question.
2. Evidence	A detail from the text: The passage states, "..."
3. Explanation	Tells how the evidence proves the thesis (central idea).

Passage Card: Station 2

My question: How did Sam Walton help everyday families save money?

Sam Walton: Visionary of Retail

[5] Sam began to wonder if there was a better way. In 1962, Sam Walton decided to try his idea. He opened a small store in Rogers, Arkansas called Walmart. His plan was simple but bold: sell many different products at lower prices so that everyday families could afford them.

[6] At first, running the store was not easy. Sam worked long hours, visited other stores to learn new ideas, and constantly looked for ways to improve. He often walked through his store to see what was working well and what needed to change. Sam believed that learning never stopped, so he was always looking for better ways to help customers.

[7] One of Sam's goals was to keep prices low. He knew families wanted to save money whenever possible. Instead of focusing only on making large profits, Sam worked hard to make sure customers could find products at affordable prices. He believed that if people saved money, they would return to his store again and again.

[8] Slowly, people began to notice. Customers liked finding many items in one place at prices they could afford. Families could shop for clothing, household supplies, and other products without spending as much money. As more people visited the store, the business continued to grow.

From Cluster 5, Module 2, "Sam Walton: Visionary of Retail," paragraphs [5] to [8].

Check and Improve: Station 2

Your words may be different. Check whether your work does the same important things.

Checklist

- ☐ Sentence 1 answers HOW with a reason.
- ☐ Sentence 2 copies a detail from the passage in quotation marks.
- ☐ The detail connects to the question and supports my thesis (central idea).
- ☐ Sentence 3 explains in my own words.

Acceptable example

Sam Walton helped everyday families save money by selling products at lower prices. The passage states, "His plan was simple but bold: sell many different products at lower prices so that everyday families could afford them." This shows that Sam wanted families to spend less on the things they needed.

Improve: Does your explanation use your own words? Add one word that tells why the detail matters.

Help Card: Station 2

1. Reread the direction.
2. Look at the example.
3. Use the Remember card.
4. Signal for help if you still need it.

Same goal, more support: Choose one evidence card below. Then still write all three sentences.

A. "Sam worked long hours, visited other stores to learn new ideas, and constantly looked for ways to improve."

B. "His plan was simple but bold: sell many different products at lower prices so that everyday families could afford them."

C. "One of Sam's goals was to keep prices low."

Frame: Sam Walton helped everyday families save money by _____. The passage states, "_____." This shows _____.

Station 3: SHAPE IT! Task Card

My goal: I can revise a draft by rearranging sentences into a helpful order.

1. Read the practice draft and the passage cards.
2. Find the sentence that tells what both men believed.
3. Rearrange that sentence into a better place.
4. Tell why the new order is clearer.

Required: the rearranged sentence in its new place and one reason for the order.

Optional: the Stretch card.

When I finish: open the Check and Improve card.

✂ cut

Remember: Station 3

Shape It! = REARRANGE

Correct It! asks: Is it written correctly? Shape It! asks: How can the idea be clearer?

Some ideas come first. A general idea often works best at the end.

Order that jumps	Detail, general idea, detail
Helpful order	Detail, detail, general idea

Linear Plot Line: trace the details first, then end with the shared idea.

Practice Text: Station 3**Practice draft: needs one improvement****Two Helpers, One Big Idea**

- (1) Henry Ford and Sam Walton helped everyday families in similar ways.
- (2) Both men believed families should not have to spend too much money.
- (3) Henry Ford built the Model T so more families could own a car.
- (4) Sam Walton opened Walmart so families could buy products at lower prices.

Sentence 2 tells what both men believed. It fits better after the two examples.

Henry Ford: Visionary of Travel

[8] A few years later, Henry Ford introduced the Model T. This automobile became one of the most famous cars in American history. The Model T was strong, simple, and much more affordable than many other automobiles. Unlike some cars that required special knowledge to operate, the Model T was designed for ordinary families.

[8] Sam began to wonder if there was a better way. In 1962, Sam Walton decided to try his idea. He opened a small store in Rogers, Arkansas called Walmart. His plan was simple but bold: sell many different products at lower prices so that everyday families could afford them.

[10] One of Sam's main goals was to keep prices low. He believed families should not have to spend more money than necessary to buy everyday items. Instead of focusing only on making large profits, he focused on helping customers save money. He believed that if people had a good experience and found affordable products, they would continue returning to his store.

From Cluster 5, Module 3, "Henry Ford: Visionary of Travel," paragraphs [8], [8], [10].

Check and Improve: Station 3

Your words may be different. Check whether your work does the same important things.

- ☐ My new order keeps the same words in each sentence.
- ☐ The two examples now sit together.
- ☐ The draft still makes sense from start to finish.
- ☐ I wrote one reason the new order is clearer.

Acceptable example

Henry Ford and Sam Walton helped everyday families in similar ways. Henry Ford built the Model T so more families could own a car. Sam Walton opened Walmart so families could buy products at lower prices. Both men believed families should not have to spend too much money.

Reason: Now the two examples sit together, and the shared idea comes last to tie them together.

Improve: Read your whole draft in your head. Does the order help the reader follow the two examples?

Help Card: Station 3

1. Reread the direction.
2. Look at the example.
3. Use the Remember card.
4. Signal for help if you still need it.

Same goal, more support: Write each sentence on a slip of paper. Move the slips until the two examples sit next to each other and the shared idea ends the draft.

Job Box, Model, and Source Card: Station 4

Topic: How Henry Ford helped everyday families travel more easily

Purpose: to inform **Audience:** families at our class history night

Small model (different topic)

Title: Sam Walton's Lower Prices

Central idea: Sam Walton helped everyday families save money by selling products at lower prices.

Fact: He started a small store in a town in Arkansas.

Fact: His store sold many products that families needed.

Henry Ford: Visionary of Travel

[11] A few years later, Henry Ford introduced the Model T. This automobile became one of the most important vehicles in American history. The Model T was strong, simple, and much more affordable than many other automobiles. It was designed for ordinary families rather than just wealthy buyers.

[12] The Model T quickly became popular. Families who had never owned a car before were finally able to purchase one. People who once depended entirely on horses and wagons now had another option for transportation. For many families, owning a car changed daily life.

[13] Automobiles gave people more freedom to travel. Families could visit relatives who lived farther away. Trips that once required many hours could often be completed much more quickly. Traveling to stores, schools, churches, and community events became easier. Farmers could transport supplies and products more efficiently. Workers could travel greater distances to reach their jobs.

From Cluster 5, Module 4, "Henry Ford: Visionary of Travel," paragraphs [11] to [13].

Check and Improve: Station 4

Your words may be different. Check whether your work does the same important things.

- ☐ My title names the topic.
- ☐ My central idea sentence tells how Henry Ford helped families travel.
- ☐ I have two facts that support my central idea.
- ☐ My facts are in my own words, not copied.

Acceptable example**Henry Ford Made Travel Easier**

Henry Ford helped everyday families travel more easily. He introduced the Model T, a car that was strong and much cheaper than other cars. Families who once used only horses and wagons could finally buy a car. The car let them visit faraway relatives and reach stores and schools more quickly.
