

CONTEXT CLUES

EXACT TEKS WORDING (FROM TEA)

“use context within and beyond a sentence to determine the meaning of unfamiliar words and multiple-meaning words”

WHAT DOES THIS MEAN TO ME?

When I meet a word I do not know, I look at the words around it.

The sentence and the sentences nearby can hold clues about what the word means.

When I find a meaning, I name the clue that helped me, so I can prove my answer.

THIS WEEK'S FOCUS

Context Clues

from “How Change Happens”

This week we practice context clues with words from “How Change Happens.” We notice definitions, choose with contrast, show with examples, own with inference, and defend multiple meanings.

This deck teaches **context clues** across the five RPLD thinking levels:

NOTICE → CHOOSE → SHOW → OWN → DEFEND.
