

EXACT TEKS WORDING (FROM TEA)

“revise drafts to improve sentence structure and word choice by adding, deleting, combining, and rearranging ideas for coherence and clarity”

WHAT DOES THIS MEAN TO ME?

Authors choose each word on purpose to say exactly what they mean.

When I notice a strong word, I ask what it shows and why the author chose it.

Choosing precise words makes my own writing clear and interesting.

THIS WEEK'S FOCUS

Precise Verbs

from “The Lunchroom Discoveries”

A precise verb tells exactly how an action happens, so the reader can picture it.

This deck teaches **word choice** across the five RPLD thinking levels:

NOTICE → CHOOSE → SHOW → OWN → DEFEND.
