

EXACT TEKS WORDING (FROM TEA)

“revise drafts to improve sentence structure and word choice by adding, deleting, combining, and rearranging ideas for coherence and clarity”

WHAT DOES THIS MEAN TO ME?

Authors choose each word on purpose to say exactly what they mean.

When I notice a strong word, I ask what it shows and why the author chose it.

Choosing precise words makes my own writing clear and interesting.

THIS WEEK'S FOCUS

Connotation

from “What We Carry Forward”

Connotation is the feeling a word carries. Two words can mean almost the same thing but feel positive or negative.

This deck teaches **word choice** across the five RPLD thinking levels:

NOTICE → CHOOSE → SHOW → OWN → DEFEND.

Correct. Bloom means to open up and grow, like a flower, showing the stories become alive again through music.
- B** **are about flowers and nature in the countryside**
Bloom is used as a comparison. The stories are not literally about flowers.
- C** **were never important to anyone who heard them**
